

Dear Country Christmas Faire Applicant:

Thank you for your interest in applying to be a vendor at the 2017 Country Christmas Faire which is scheduled for November 24, 25, and 26. Enclosed please find an application for the 2017 Country Christmas Faire. Please fill in all spaces including license plate number and California sales Permit Number. If you have special requests, include them on the application form. We do read all of them! Please note, we do charge a \$10.00 jury fee and you must send this fee with the application.

The Country Christmas Faire is a juried show. We receive a couple of hundred applications and only have room for approximately 120 vendors. The following are important aspects of successfully applying to the 2017 show:

- **\$10 Jury Fee.** All applications must be accompanied by a \$10 payment; applications received without the \$10 jury fee will not be considered for the show. If sending a check for payment, please make the check out to the Nevada County Fair. **DO NOT** send booth fee at this time.
- **The application must be accompanied with photos of your products, you making the products, as well as your booth.** Please combine or print all photos on an 8 ½” x 11” sheet. Additional sheets may be used. Please **do not** overlap photos. By taking these precautions it will insure the jury to be able to view all photos entirely. Photos provided with your application will not be returned. Please plan accordingly. A video of you working on your products is greatly appreciated but not a requirement.
- **Only items presented in your application and approved by the jury may be sold.**
- **All** booths are required to have 2 walls and a back – at a minimum they must be draped on the sides and the back; pop-up tents with vinyl sides and top are not allowed. The frame work may be used but the frames are to be camouflaged with holiday decoration.
- Applications by a group of people for one booth space must include pictures of each person’s product; **no one** may participate in the 2017 Country Christmas Faire unless they have gone through the jury process.

- **▶ The applicant must handcraft all items; no resale or imported items are allowed. Items that have been purchased and minimally embellished are considered to be resale items. As a general rule, the applicant must handcraft at least 70% of *each* item. If you have questions as to whether your products comply with the “70% percent rule” we suggest that you do not include it in your inventory.**
- **The exhibitor may not sublet or apportion to anyone else their space and may not employ sales agents in lieu of himself or herself at the festival.**
- Please remember to **CIRCLE** your booth size preference on the application.

If you have any questions regarding the Country Christmas Faire, please give me a call.
