

The Nevada County Fair's popular exhibit program celebrates the many talents of our county and fills the buildings with thousands of creations and the barns with hundreds of animals for Fair-goers to enjoy each year! With more than 7,000 entries, it is a program that is popular with both exhibitors and Fair attendees. From a 95-year-old who has entered exhibits for 46 years in a row to a child entering an item for the first time, the exhibit program is a celebration of community and a showcase of talents!

As part of this program, the exhibit awards program offers cash, ribbons and prizes to exhibitors and recognizes them for their hard work and creativity. **Would you or your business like to be part of this program by sponsoring awards?** All sponsors who participate will receive recognition in the Competition Handbook.
