

2019 AUCTION BUYERS

Each year, the Nevada County Fair hosts two auctions - the Ag Mechanics Auction, and in partnership with the Nevada County livestock producers, the Junior Livestock Auction. Last year, these auctions raised more than \$735,000. The money earned at the auction is often used by students for college education, vocational training, and to fund future fair projects. Thank you to all the buyers for their support of our local youth in agriculture!

Please join us at this year's online Junior Livestock and Ag Mechanics Auction, happening August 13 - 15. For information on the auction, contact the Fairgrounds office at (530) 273-6217 or visit NevadaCountyFair.com.
