Butcher Meat Cutting/Wrapping Fees (paid to the butcher at time of meat collection)

Custom purchases will be returned to the butcher of your choice for cutting & wrapping. When in the online auction, please choose your butcher preference. The auction committee makes every effort to send your purchase to your selected butcher; however, some of these butchers have limited freezer space which may result in the committee selecting another butcher for you if your choice is full. You will be contacted if a change is made.

It is your responsibility to contact the butcher of choice by Tuesday, August 18 to provide cutting instructions. If the butcher is not contacted, they will proceed with their standard cut and wrap. Due to freezer storage issues, please pick up your completed order when called.
