Two major challenges to the livestock industry in the 2000's are education and credibility. The 17th District Agricultural Association, Nevada County Fair, would like to take a leadership role in addressing these issues in the belief that a better understanding may be created between the producer and consumer. We believe that you, as livestock exhibitors, are the most effective spokesperson for the livestock industry. As a Fair exhibitor, you are in the position to educate a large audience on a personal, one-on-one basis. With these thoughts in mind, we are asking you to follow a few simple guidelines which we feel will create a positive experience for our general public.

**ALL LIVESTOCK EXHIBITORS MUST:**

1. Be constantly aware of the public concern for the humane treatment of livestock.
2. Be willing to take the time to communicate the positive aspects of the livestock industry to fairgoers.
3. Not confine animals for an excessive amount of time (Approximately 30 minute intervals).
4. Have animals trained and manageable upon arrival at the Fair.
5. Tie in designated tie out areas only.

**Be able to safely control their animal!**

**Absolutely do not tie to any trees or fences!**

**Policy for camping during the Nevada County Fair**

Camping during the annual Nevada County Fair will be available to Open and Junior Livestock Exhibitors. Camping is by reservation only and is limited on a first come first served basis. *Junior Livestock Exhibitors are required to be chaperoned while they are camping at the fairgrounds.* Fairview dry camping fees are \$225 for the week of the Fair. Southpark camping fees will be \$275 for the week. *Camping fees do not include admission to the fair.* **Signup June 1st at the Fair Office.**

**LIVESTOCK POLICIES:**

Limit the grooming and fitting of all animals to the most natural methods. **Washing, clipping and brushing are encouraged. No paints, dyes, glues or adhesives are allowed.** As a water conservation measure, management has the right to limit washing to the use of spray bottles only.

**THE SHOW POLICIES ALLOW:**

- A. Clipping, shearing and blow drying.
  - B Washing the animal, using soap and water, for cleansing purposes.
  - C. Those materials used for the health and safety of the animal.
- Any signs of altering the natural color of an animal will result in disqualification of the animal. An exhibitor who has an animal disqualified shall have the right to appeal to an appeal panel approved by the Nevada County Fair Board of Directors.

**IF AN EXHIBITOR DISREGARDS THESE GUIDELINES THE MANAGEMENT SHALL HAVE THE RIGHT TO EXCUSE THE EXHIBITOR AND THE ANIMALS FROM**

**Important! Bedding Policy**

Each Exhibitor is responsible for their own bedding; first bedding will be provided by the Fair for swine only.

**Open and Independent Exhibitors**

It is strongly recommended that large animal exhibitors carry general liability insurance in the amount of \$1,000,000. Please provide the name of your insurance company and policy number. If you do not have insurance it may be purchased through the Fairgrounds for \$35.00.
