

“Sea You at the Fair!”

ENTERING YOUR EXHIBITS

Most exhibits do not require an entry fee; however, there are some exceptions - Ag Mechanics, livestock and special food contests. Be sure to check our website and the Competition Handbook carefully for entry details.

All entry forms can be submitted at the Fair Office or by mail and most entry forms can be submitted *online* at NevadaCountyFair.com. Metered mail is not acceptable as proof of mail deadline. Mailed entries must be postmarked (USPS Postmark) no later than the deadline defined in the Competition Handbook for the entry. Nevada County Fair is not responsible for lost or misdirected mail.

Each exhibitor must sign their entry form (even pre-schoolers must make their mark). Junior exhibitors must also have a parent's signature along with an instructor, leader or advisor's signature per the requirements of the entry.

It is imperative the entry form for all classes be filled out completely. Management and staff are not responsible for finding errors in entries.

Please visit our website at NevadaCountyFair.com for more information. If you wish to enter by mail, a still exhibit entry form is located at the back of this book. Paper entry forms and online entries for still exhibits will be due NO later than 4pm on Friday, July 21 in the Fair Office. **THERE WILL BE NO EXCEPTIONS OR EXTENSIONS.** No faxed entries, please.

Designated entry fees must accompany entry forms. Entry fees are non-refundable. Checks that are returned for NON-SUFFICIENT FUNDS for any payments to the Nevada County Fair (entries, passes, auction, etc.) are subject to a \$25 fee for each check.

The Fair Office mailing address is P. O. Box 2687, Grass Valley, CA 95945. We are located at 11228 McCourtney Road, Grass Valley. For exhibit delivery times and locations please see page 12.

Any information not found in the Nevada County Fair Competition Handbook, or further clarification, may be obtained by contacting the Fair Office at (530) 273-6217.

PICK UP YOUR EXHIBITS

Please pick up your exhibits on Monday, August 14. We're open from 9 am to 6 pm. Premium checks will be available to pick up at the Fair Office on Monday, August 14. Please pick up your entries where they were displayed. Absolute deadline for picking up exhibits is by Thursday, August 17 at 4 pm. Due to limited storage space, any items left after that date will be disposed.

JUDGING AND AWARD SYSTEMS

Judging of exhibits is done by either the Danish or the American judging systems. In the Danish system, each exhibit is judged according to how well it meets a product standard rather than how it compares with other exhibits. In the American judging system, each entry in a class is judged in comparison to other entries in the class. Awards are given according to relative merit with the potential for no more than one first, one second and one third place per class.

There will be a **Best of Division** award for every “still” division. It will be chosen from entries that receive first place in the division. Every Best of Division winner will receive a ribbon. In addition, if a particular division is “sponsored,” the exhibitor will receive either cash or a gift certificate. For sponsored award listings please see adult awards on pages 47-49 and youth and teen awards on pages 62-63.

There will be a **Proud Tradition** award for selected departments. It will be chosen from all the entries that receive Best of Division in the department.

People's Choice award will be chosen from entries in selected departments.

Judge's Choice award will be chosen from entries in selected departments.

State rules for California Fairs apply to all competitive exhibits conducted by district, cities and county fairs in the state of California. www.cdffa.ca.gov/fe.

DRAFT HORSE CLASSIC AND HARVEST FAIR EXHIBIT ENTRIES

The Draft Horse Classic and Harvest Fair will be held from September 21-24. If you exhibit in the Nevada County Fair, you will receive an invitation via email for two free admission tickets to attend the Thursday, September 21 performance of the Draft Horse Classic.

2016 BUYERS

Each year, the Nevada County Fair hosts two auctions – the Ag Mechanics Auction and in partnership with the Nevada County Livestock Producers, the Junior Livestock Auction. Together, these auctions raise more that \$500,000 for local youth in agriculture. The money earned at both auctions is often used by the students for college education or vocational training, and also teaches participants about planning and responsibility. Those who support the students at these auctions are supporting the education of today's youth.

As individuals and businesses of Nevada County, you can assist the continuation of the Nevada County Fair's auctions (and support of local youth in agriculture) through your involvement in the 2017 Junior Livestock Auction on Sunday, August 13, 2017 at 8:30 am, or at the 2017 Ag Mechanics Auction on Friday, August 11, 2017 at 5:30 pm. For information on the auctions, contact the Fair Office at 273-6217.

5. Exhibitors must check carefully for size restrictions and any other "limits" particular to a division.
6. **Judging:** At every opportunity the value of the blue ribbon should be stressed. The blue ribbon represents, or should represent, the perfection for which the Youth exhibitors are striving with their projects. The educational and moral value of achieving this perfection should result in a future economic return which will be far greater than the immediate return in the form of cash awards.

A. DANISH JUDGING SYSTEM will be used for exhibitors under 12 years of age in all contests. It is based upon established standards of quality for each type of product. In this system each exhibit is judged according to how well it meets that standard rather than how it compares with other exhibits. The following guidelines shall be used by the judge(s):

<u>QUALITY</u>	<u>SCORE</u>	<u>RIBBON</u>
1st Place-Superior	90%-100%	Blue
2nd Place-Good	80%-89%	Red
3rd Place-Average	70%-79%	White

B. AMERICAN SYSTEM will be used for exhibitors between the ages of 13-17. Each entry in a class is judged in comparison to the other entries in the class. Entries are placed first, second, third, etc. according to relative merit. There will be no more than one first, second, third, etc. per class.

7. **RESPONSIBILITY** - Greatest care will be exercised in handling exhibits, but the Fair Association, its staff and department personnel will not be held liable for loss, theft or damage of any kind from any cause. Submission of entry constitutes an agreement to this effect.
8. All entry forms must be signed by a parent or guardian.

LIVESTOCK DEPARTMENT

LIVESTOCK EXHIBITORS

Each exhibitor is responsible for providing their own feed and bedding. No paint, dyes, glues or adhesives are allowed. As a water conservation measure, management has the right to limit washing to the use of spray bottles only. When entering a breeding class online, it is **imperative** that all information regarding registration number, name, breed, sire, and dam be filled out correctly and completely.

JUNIOR EXHIBITORS

Junior livestock exhibitors must attend orientation meeting Tuesday, August 8 at 6:30 pm, in the auction arena at gate 6. Mandatory Barn Duty Meeting following livestock orientation meeting. Please see page 91 for the official competition uniform rules.

JUNIOR LIVESTOCK AUCTION

SUNDAY, AUGUST 13 AT 9 AM

TERMS & CONDITIONS

The Junior Livestock Auction is sponsored and managed by the Nevada County Livestock Producers and the 17th District Agricultural Association. These groups are volunteers with special expertise in livestock handling. Their responsibilities include the promotion of the Junior Livestock Auction, disposition of paperwork, coordination of sale and shipping of animals to USDA inspected slaughter plants and the return of carcasses to the buyer's choice of butcher shop.

All Fair rules, both state and local, shall also apply to this Sale. Exhibitors can show and sell only one market animal, with the exception of exhibitors participating in a small animal project (poultry or rabbit meat pens). These exhibitors may enter a small animal meat pen and one large animal market class. These exhibitors can only sell one project and must declare which animal they will be selling to the Livestock Office as soon as they finish showing their large animal. If the meat pen qualifies as Champion or Reserve Champion, they may not show their large animal in their market class. They will be allowed to show in the large animal showmanship class.

The Junior Livestock Auction is a terminal sale (including small animals). All animals sold at the Junior Livestock Auction, with the exception of small animals, will be sent to federally inspected meat packing plants under the direction of the Nevada County Fair Sale Committee. Small animals may be processed locally. **All Supreme Champions, Champions and Reserve Champions must sell. It is illegal to tamper with ear tags or sale identification**

Exhibitors of market animals are eligible to show and/or sell in only one county fair during a calendar year with the exception of the California State Fair. Exhibitor will be required to sign a certification on their entry form stating that they have not sold a market animal at any other county fair with the exception of the California State Fair this year.

An exhibitor must be in the 4th grade or at least nine years of age by January 1st of the current year to sell an animal at the Junior Livestock Auction. For exhibitor age requirements, please refer to the state rules. You must be responsible for the care, grooming and showing of your animal to be eligible to sell your animal at the sale. The exhibitor and animal must be present at the auction and ready

to show when it is his or her turn. **If an exhibitor is not present and ready when it is his or her turn, Fair management has the right to remove them from the auction.**

When the auctioneer says "SOLD" the animal is the property of the buyer. However, the seller is responsible for the providing of feed and water to the animal until it is loaded on the truck as instructed by the Livestock Superintendent and/or Sale Committee.

Eligibility of the animals to sell shall be the decision of the weighmaster and the judge. The sale order shall be made up as the animals are judged, with the supreme champions champions and reserve champions first. The balance of the sale order is randomly computer generated. The Auctioneer has the final say on all bids. No private treaties.

A commission to be determined by the Nevada County Fair Board with input from the Livestock community, shall be charged to promote and finance the sale. A 2% shrink will be automatically applied to the weight of all market beef, sheep, swine and goats eligible for the auction.

The seller's checks will be made available on Thursday following the Fair to the FFA and 4-H advisors. All sellers **MUST** write **thank-you letters to their respective buyers immediately after the Sale and prior to receipt of their check.**

To view the 2017 State Rules, you may visit California Department of Food & Agriculture's website at www.cdffa.ca.gov/fe. The address is 2800 Gateway Oaks Drive, Suite 257, Sacramento, California 95833. Contact: Fair Consultant Manager 916-263-3109.

LOCAL RULES

EXHIBITORS MUST FAMILIARIZE THEMSELVES WITH THE RULES, AS THEY WILL BE STRICTLY ENFORCED.

The following are the local rules for the 17th District Agricultural Association, Nevada County Fair. Variances to these rules may only be granted by the Board of Directors of the 17th District Agricultural Association. Variance requests must be made in writing to: Nevada County Fair (17th District Agricultural Association) P. O. Box 2687, Grass Valley, CA 95945 or may be delivered to the Administration Office at Gate 1, 11228 McCourtney Road, Grass Valley, CA.

General Rules

1. The Board of Directors of the 17th District Agricultural Association, Nevada County Fair, will be the final authority in any decisions or disputes involving the Fair or the Fairgrounds.
2. The Nevada County Fairgrounds does not allow smoking during the Fair on the Fairgrounds, except in designated outdoor smoking areas. Those who desire to smoke, MUST visit one of the five designated smoking areas. It is incumbent on all livestock exhibitors to assist the Fair personnel in enforcing this rule in the livestock area.
3. No vehicles or trailers will be permitted on the Fairgrounds during the five days of the Fair without a signed permit from the Fair Management.
4. Unless specifically approved in writing by the CEO, there shall be no pets on the inner grounds during the annual Fair, Draft Horse Classic or Country Christmas Faire except for properly identified service dogs, guide dogs, or dogs previously stated in training. Pets are allowed in the camping and parking areas provided they are on leash.
5. Camping privileges are limited and shall be designated by Fair Management. Livestock exhibitor camping is limited to livestock exhibitors that need to stay for the duration of the Fair. No Junior livestock exhibitor shall be allowed to stay on the Fairgrounds without a chaperone. Camping chaperone must be 25 years of age or older. There must be at least one chaperone for every three youths camping. Sign-up opens June, 19, 2017.
6. Livestock trailers must be removed from the Fairgrounds the day of unloading the animals. Exceptions are for those exhibitors who are open exhibitors or are showing breeding animals.
7. Substitutions can only be made within a division. Substitutions must be made when the exhibit arrives at the Fairgrounds; or for animals when registration certificates are checked. In the livestock department a \$5 penalty must be paid for each substitution made by the exhibitor in excess of two in the division.

Exhibits

8. In the case of limited exhibit space, exhibiting preference will be given to: 1) Nevada County Youth exhibitors, 2) Nevada County senior exhibitors, 3) exhibitors from Sierra, Placer and Yuba

counties, 4) exhibitors from all other California counties and 5) exhibitors from adjacent states. Legal residency shall be the determining factor. A final decision of acceptance or rejection of any exhibit will be at the discretion of Fair Management.

9. A Nevada County Youth exhibitor is defined as an exhibitor who meets the eligibility and age requirements as defined within the *State Rules and whose legal residence is within the boundaries of the 17th District Agricultural Association (Nevada County) or who attends a Nevada County school and is a member of the FFA, Nevada County 4-H or Nevada County Grange. *Refer to State Rule VII.1-20 Junior Department.
10. Exhibitors age on January 1 shall be maintained through the calendar year.
11. Exhibits not in place at the time specified will not be permitted to compete for premiums and no entry fees will be refunded.
12. Exhibits must be picked up Monday, August 14, 2017 between 9 am and 6 pm. Exhibit claim tags must be presented when claiming exhibits.
13. Perishables not claimed by 4 pm Thursday, August 17, 2017 will be disposed of unless other arrangements have been made.
14. All items will be judged but as space is limited, they might not all be displayed.
15. Premiums, trophies and ribbon awards are offered as an inducement to increase competition. Where there is no competition (i.e. no entries or one entry) for two years or more, the Fair Management may remove the class from the Competition Handbook unless there is a good reason for not doing so. By the same token, if there are assurances that there will be sufficient competition for a class not already in the book or for one that has been previously deleted, Fair management may add them to the Competition Handbook. Such requests must be made in writing to the above address.
16. Should a premium be found to have been obtained by false evidence, misrepresentation or a violation of any of the State or Local Rules, the premium award will be withheld.
17. In the event of ties in sweepstakes points, the tie will be broken by the largest money winner. In the event of two or more ties with equal money, straws will be drawn to determine the winner.
18. Exhibitors, excluding livestock, are required to remove all labels, signs or traces of ownership from any exhibit before being presented for judging, with the exception of the exhibit tag which will be given to the exhibitor at the time of submitting exhibit.
19. No "For Sale" signs are to be posted at or near any exhibit for the duration of the Fair. This rule applies to both still and livestock exhibits. No private treaties allowed on the Fairgrounds.
